#600

AMEC Earth & Environmental is a leading environmental firm providing a full range of cultural resource and heritage management services. AMEC has more than 150 locations across North America, with archaeologists, geologists, engineers, biologists, environmental planners and other specialists offering an impressive array of archaeological, heritage management and environmental capabilities.

American Anthropological Association
2200 Wilson Blvd
Ste 600
Arlington VA 22201-3397
#521

American Anthropological Association—visit AnthroSource online at www.aaanet.org. Annual Meeting Philadelphia, PA Dec 2-6, 2009.

American Rock Art Research Association
201 W. Soloman
Midland TX 79705-3032
#304

Conservation, Education and Research of Rock Art in North America.

Ancient Society Books
3100 West Adams Road
Attn: Lawrence A. Conrad
Macomb IL 61455-7751
#701

Offering a broad selection of new and used books in all fields of anthropology with an emphasis on the New World, especially North America. Libraries and individual volumes purchased. Catalogs issued and want lists served.

Archaeo-Geophysical Associates, LLC
8316 Hanbridge Lane
Austin TX 78736-3010
#515

Archaeo-Geophysical Associates, LLC is an archaeological firm that specializes in geophysical mapping including GPR, Magnetometry, Resistivity and Electromagnetic Methods.

Archaeological Institute of America
656 Beacon Street
Boston MA 02215-2072
#502

The Archaeological Institute of America, founded in 1879, is North America's oldest and largest archaeological organization. The AIA endeavors to create an informed public interest in the cultures and civilizations of the past, supports archaeological research, advocates the preservation of archaeological heritage, and represents the discipline in the wider world.

Archeoloc
Toulfeunteun
29100 KERLAZ
France
#601

Archéoloc hires boxes containing the complete tools and materials for the archaeological excavation. Very practical for your missions abroad. We care about everything: transport, customs, reconditionning... You will make sure to have the right tools with you. Visit our exhibition booth and have a look on our complete toolbox!

**Arizona State University, School of
Human Evolution and Social Change
PO Box 872402
Tempe AZ 85287-2402
#503**

At Arizona State University, archaeology is situated within the School of Human Evolution and Social Change. Learn about the school's active research projects and interdisciplinary approach to understanding the human past as the starting point for addressing the challenges of today and beyond.

**ASC Scientific
2075 Corte Del Nogal
Suite T
Carlsbad CA 92011-1415
#608**

Manufacturer and worldwide supplier of research tools for the earth sciences, specializing in Trimble GIS & Mapping GPS products, Bartington Grad601 magnetic gradiometers for high resolution magnetic surveys, and a wide variety of field and laboratory equipment for geological and archaeological research. Visit our web site at www.ascscientific.com.

**Beta Analytic
4985 SW 74th Court
Miami FL 33155-4471
#406**

Dedicated radiocarbon dating facility. Standard delivery in 20-30 days. Advanced delivery in as little as 2-3 days.

**Bruker AXS Handheld
415 N. Quay Street
Bldg A, Suite 1
Kennewick WA 99336-7783
#104**

The Bruker AXS Tracer III-V is a portable XRF analyzer which provides chemical information which is valuable in authentication, conservation and restoration of art and other historic artifacts. This equipment can be used in both portable and bench top configurations to provide elemental identification and quantification.

**Bucks Geophysical Corporation
PO Box 388
Plumsteadville PA 18949-0388
#505**

Bucks Geophysical Corporation is a full-service geophysical firm specializing in near-surface and borehole investigations. Our services for archeology include 2D and 3D GPR, MAG, EM, 2D and 3D resistivity, and seismic surveys.

**Cambridge University Press
32 Avenue of the Americas
New York NY 10013-2473
#401 & 403**

Welcome to Cambridge University Press books on Archaeology. Please stop by our booth and check out our new titles such as Tony Waldron's Palaeopathology, Nicole Boivin's Material Cultures and Material Minds, and Philip Koh's The Making of Bronze Age Eurasia, now in paperback.

**Center for Applied Isotope Studies,
University of Georgia
120 Riverbend Road
Athens GA 30602-1510
#524**

CAIS conducts precise radiocarbon dating by AMS and LSC techniques. We perform isotope analyses for paleodietary and paleoenvironmental reconstruction. CAIS equips with Pelletron AMS system, Ultra Low Level β -spectrometers for LSC dating and mass-spectrometers for stable isotope analyses. Highly professional staff performs analyses with high quality and fast turnaround time.

**Cotsen Institute of Archaeology At
UCLA
A163 Fowler Bldg, Box 951510
Los Angeles CA 90095-1510
#201 & 203**

The Cotsen Institute of Archaeology at UCLA is a premier research organization dedicated to the creation, dissemination, and conservation of archaeological knowledge and heritage through research, education and publication. Our booth is exhibiting our high-quality academic books, and information about our new UCLA Archaeology Field Program.

**Council of Affiliated Societies
Society for American Archaeology
900 Second Street, NE #12
Washington DC 20002-3560**

#606

The Council of Affiliated Societies (CoAS) offers information about CoAS and its member organizations. Visitors to the booth can see if their state's society is a member of CoAS, or how to become a member. Stop by and take home a list of the CoAS Affiliates, member brochures and outreach materials, and the latest CoAS newsletter! And remember to vote for your favorite Archaeology Month Poster by putting your ballot in the box in front of the posters display!

**David Brown Book Company
PO Box 511
Oakville CT 06779-0511**

#309, 210, 212, & 209

The finest books at the most enticing prices sold by the most charming people you could hope to meet.

EM-Assist

**90 S. 400 W. Suite 450
Salt Lake City UT 84101-1378**

#504

EM-Assist has been providing technical services including environmental studies, compliance, data management and unique training applications and products for federal clients since 1996. Our core areas of expertise include computer and web-based training, learning management systems, and cultural resources management and program support including consultation, mitigation design and implementation and Section 106 consultation.

**Faculty of Archaeology - Leiden
University**

**Faculty of Archaeology
PO Box 9515**

Leiden 2300 RA

Netherlands

#422

The Graduate School of the Faculty of Archaeology at Leiden University offers the most extensive archaeology programme in the Netherlands. Specializations include archaeology of the Near East, Asia, Indian America, Classical Archaeology and European

Prehistory. A representative will be available to discuss all aspects of our Masters and PhD degrees.

Finale Trading Co.

2975 Terrace Dr. #14

Las Cruces NM 88011-5021

#103

Traditional Mata Ortiz pottery chosen by Sue Ann. My favorite potters use the ancient methods, no wheel, materials collected from their local mountains, painted with a few human hairs, fired beneath a dry flower pot or metal tub or bucket completes their lovely work of art.

**Forensic Archaeology Recovery
(FAR)**

**C/O Dept. of Anthropology
Box 1921, Brown University
Providence RI 02912-0001**

#526

Forensic Archaeology Recovery (FAR) is a volunteer organization that assists local authorities in the controlled recording and recovery of human remains and other evidence at mass-fatality disaster scenes.

Forestry Suppliers, Inc.

205 West Rankin St.

Jackson MS 39201-6199

#302

Full range of equipment for outdoor professionals. Flagging, flags, surveying instruments, shovels, picks, sieves, compasses, GPS, mapping aids, protective wear, and first aid all can be found in our free 700+ page catalog.

GEM Advanced Magnetometers

**135 Spy Court
Markham ON L3R 5H6**

Canada

#508

Digital prospection tools offer proven methods for environmentally-friendly, quantitative archaeological investigations. They also reduce costs, deliver detailed data, identify "invisible" phenomena, and help maximize efficiency and personnel effectiveness. GEM Advanced Magnetometers offers 3 systems that enhance your work. Visit us at our booth or www.gemsys.ca. GEM's world is magnetic!

Geo-Marine, Inc.
2201 K Avenue, Suite A2
Plano TX 75074-5977
#410

Geo-Marine, Inc., an environmental engineering firm, provides quality cultural resources services that have both a scientific and visual impact. Geo-Marine researches and uses cutting edge technologies to effectively meet historic preservation needs. Geo-Marine will be demonstrating its capabilities in 3D visualization.

Geometrics
2190 Fortune Dr.
San Jose CA 95131-1815
#424

Geometrics, a member of OYO Corporation, manufactures, sells, and services portable geophysical instruments for land, marine, and air investigations of the subsurface. Geometrics' product line includes proton precession and cesium magnetometers, high-resolution seismographs, and electrical conductivity imaging and resistivity systems. Geometrics' instruments are used around the world for natural resource exploration, geotechnical and environmental assessments, ordnance detection, detailed archaeological surveys, and teaching and research.

Geophysical Survey Systems, Inc.
12 Industrial Way
Salem NH 03079
#224

Archaeologists and remote sensing specialists around the world rely on GSSI ground penetrating radar and EM conductivity instruments as key tools for non-invasive site investigation. Whether the goal is site mapping for excavation or locating sensitive cultural resources for preservation or avoidance, GSSI's remote sensing technologies have been the tools of choice for nearly 40 years.

GNS Science - National Isotope Centre / Rafter Radiocarbon
30 Gracefield Rd
Gracefield, Lower Hutt 5040
New Zealand
#501

The National Isotope Centre / Rafter Radiocarbon provides isotope science

expertise and commercial services delivering research and industry applications around the globe.

Harvard University Press / Peabody Museum Press
79 Garden St
Cambridge MA 02138-1423
#506

The Peabody Museum Press produces quality books advancing the study of archaeology and anthropology, and making the collections of one of the nation's oldest museums accessible to researchers, museum visitors, and the public. These books are distributed by Harvard University Press, publisher of scholarly books for the general reader.

Human Relations Area Files
755 Prospect Street
New Haven CT 06511-1225
#305
