## PRACTICING ARCHAEOLOGY

A Manual for Cultural Resources Archaeology

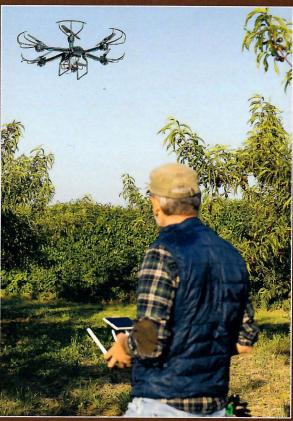

THOMAS W. NEUMANN, ROBERT M. SANFORD,
AND MARY SPINK NEUMANN

## Contents

	to the Third Edition	xi
b	to the Second Edition	xiii
B	to the First Edition	xv
N.	and ledgments	xvii
	Credits	xviii
	Impoduction and Overview of Professional Archaeology	1
	L.L. Introduction: Purpose, Audience, and Overview of Contents	1
	12 Brief History of Extra-Academic and Professional Archaeology and Cultural Resources Legislation	
	1.2.1. Initial Federal Involvement in Cultural Resources	7
	1.2.2. WPA Archaeology and Its Influence on Modern Professional Archaeology	9
	1.2.2.1. Government Regulation versus Academic Independence	11
	1.2.2.2. Quality of Work under Deadline Conditions	12
	1.2.2.3. Reasons for Excavation: Chosen Research Problem versus Circumstantial	
	Research Problem	13
	1.2.2.4. Analysis and Publication	14
	1.2.3. Post-War and Formulation of Professional Archaeology	14
	1.2.3.1. The Missouri Basin Project	14
	1.2.3.2. Legislation, Expansion of Government, and Academic Growth 1.2.3.3. Bifurcation	16
	1.3. Current Structure of Archaeology in the United States	17
	1.3.1. Archaeology within the Academic World	19
	1.3.2. Archaeology Outside of the University	21
	1.4. Summary	25
	·	28
	Laws, Regulations, and Protocols	35
	2.1. Purposes and Objectives	35
	2.2. Federal Laws and Regulations: Section 106 Process	37
	2.2.1. Section 106	38
	2.2.2. Implementing Section 106: 36 CFR Part 800, "Protection of Historic Properties"	38
	2.2.2.1. Some Concepts: Historic Property, Undertaking, Effect, Agency, Determination 2.2.2.2. Significance and 36 CFR 60	38
	2.2.2.3. The Parties in the Section 106 Process	41
	2.2.2.4. Steps along the Way: The Process	44
	2.2.2.5. Re-examination and Comment in Detail on the Section 106 Process	45 49
	2.2.3. Additional Factors and Agency Regulations	54
	2.3. Additional Regulations and Requirements	56
	2.3.1. The Section 106 Process and the National Environmental Policy Act	56
	2.3.2. Other Legislation, Regulations, and Guidelines	58
	2.3.2.1. Additional Legislation	58
	2.3.2.2. Regulations	60
	2.3.2.3. Guidelines	61
	2.4. State Laws, Regulations, and Protocols	61

2.6. Summary  Proposals and Contracts  3.1. Purpose and Objectives  3.2. Government Contracts  3.2.1. Levels of Government and Needs  3.2.2. Where Government Needs Are Published  3.2.3. Responding to a Request for Proposals (RFP)  3.2.3.1. Contents of a Bid Package  3.2.3.2. Completing the Forms  3.2.3.3. Qualifications Statement  3.2.3.3. Qualifications Statement  3.2.3.4. Technical Proposal  3.2.3.5. Competitive Budget Estimates  3.2.4. Structuring and Negotiating the "Best-and-Final"  3.3. Private-Sector Contracts  3.3.1. Types of Private-Sector Clients and Needs  3.3.2. Locating Private-Sector Clients  3.3.3. Assembling a Bid Package  3.3.3.1. Contents of a Bid Package  3.3.3.2. Locating Private-Sector Clients  3.3.3.3. Project Design and Working with the Regulatory Agencies  3.3.3.4. Structuring and Negotiating the "Best-and-Final"  3.4. Summary  53.4. Summary  54. Safety Factors and Occupational Hazards  4.1. Purpose and Objectives  4.2. Safety Plans  4.3. Injuries  4.3. Injuries  4.4. Diseases  4.4. Pomonous Animals  4.4. Diseases  4.4. Venomous Animals  4.5. Chemical Factors and Hazards  4.5.1. Pesticides  4.5.2. Chemical Freitbers  4.5.3. Fire Reardants  4.5.4. Regional Freitbers  4.5.5. Field and Laboratory Chemicals  4.5.5. Field and Laboratory Chemicals  4.5.6. First Aid Preparations  4.7. Summary  127		2.5. Municipal and County Regulations	62
3.1. Purpose and Objectives 3.2. Government Contracts 3.2.1. Levels of Government and Needs 3.2.2. Where Government Needs Are Published 3.2.3. Responding to a Request for Proposals (RFP) 3.2.3.1. Contents of a Bid Package 3.2.3.2. Completing the Forms 3.2.3.3. Qualifications Statement 3.2.3.4. Technical Proposal 3.2.3.5. Competitive Budget Estimates 3.2.4. Structuring and Negotiating the "Best-and-Final" 3.3. Private-Sector Contracts 3.3.1. Types of Private-Sector Clients and Needs 3.3.2. Locating Private-Sector Clients 3.3.3. Assembling a Bid Package 3.3.3.1. Contents of a Bid Package 3.3.3.2. Locating Private-Sector Clients 3.3.3.3. Assembling a Bid Package 3.3.3.3. Private-Sector Clients 3.3.3.4. Supplied Design and Working with the Regulatory Agencies 3.3.3.5. Supplied Design and Working with the Regulatory Agencies 3.3.3.4. Supplied Design and Working with the Regulatory Agencies 3.3.4. Structuring and Negotiating the "Best-and-Final" 3.4. Summary 4. Safety Factors and Occupational Hazards 4.1. Purpose and Objectives 4.2. Safety Plans 4.3. Sunal Particulate Matter 4.3.3. Immersion 4.3.4. Injuries 4. Biological Factors and Hazards 4.4.1. Diseases 4.4.2. Venomous Animals 4.4.3. Poisonous Plants 4.5.4. Resideds 4.5.4. Petroleum 4.5.4.1. Petroleum 4.5.4.2. Lead 4.5.4.3. Arsenic 4.5.4.4. Petroleum 4.5.4.5. Dioxin 4.5.4.5. Dioxin 4.5.4.6. Radiation 4.5.5. Field and Laboratory Chemicals 4.6. First Aid Persparations 4.7. Summary		•	
3.2.1. Levels of Government and Needs 3.2.1. Levels of Government Needs Are Published 3.2.2. Where Government Needs Are Published 3.2.3. Responding to a Request for Proposals (RFP) 3.2.3.1.
